

## Planned Giving and Endowments for Christian Schools: A Resource Guide

Christian Stewardship Services (CSS) created a workbook as a tool to help your school develop its own Planned Giving and/or Endowment Program. CSS wants to make the process as easy as possible for your school whether it is starting a new Planned Giving Program, or reviewing and updating an existing program.

### **Introductory Price:**

# **\$250.00**

Includes five hours with a representative from CSS. Enrollment for the program is limited.
